

FOOD SAFETY

Managing with the

HACCP System

Second Edition

Ronald F. Cichy, Ph.D., NCE, CHA, CFBE, CHE

Contents

Preface.....	xi
About the Author	xiii
1 Food Safety Risk Management and the HACCP System.....	3
Food Safety Risk Management Program.....	5
<i>Control Points • Reducing Risks • Program Responsibility • Program Benefits</i>	
The HACCP System	11
<i>Prerequisite Programs • Hazard Analysis • Critical Control Points (CCPs) • Critical Limits for Preventive Measures • Monitoring Critical Control Points • Corrective Action • Verification • Recordkeeping</i>	
Food Establishment Risk-Based Inspections	21
<i>Staff Training • Conducting the Risk-Based Inspection • Inspection Documentation • Food Establishment Inspection Report • Food Establishment Inspection Report Follow-up • Record Maintenance System</i>	
2 Food Contamination and Spoilage	37
Microorganisms Responsible for Food Contamination	37
<i>Bacteria • Parasitic Worms • Foodborne Fungi • Viruses</i>	
Foodborne Diseases.....	41
<i>Bacterial Infections • Viral Infections • Food Poisoning • Foodborne Physical Hazards • Major Food Allergens • The Importance of Health and Hygiene, Including Handwashing • Written Staff Member Health Policy</i>	
Handling a Foodborne Illness Complaint.....	48
Food Spoilage	50
Food Preservation.....	51
<i>Low-Temperature Food Preservation • High-Temperature Food Preservation • Food Preservation by Dehydration • Chemical Food Preservation • Food Preservation by Radiation</i>	
Preservation Methods for Various Types of Foods.....	53

Appendix A: A Summary of Pathogenic Microorganisms	56
Appendix B: Recommended Storage Conditions for Fresh and Frozen Meats.....	60
Appendix C: Recommended Storage Conditions for Fresh and Frozen Poultry	61
Appendix D: Recommended Storage Conditions for Fresh and Frozen Fish and Shellfish	61
Appendix E: Recommended Storage Conditions for Fresh and Frozen Eggs.....	62
Appendix F: Recommended Storage Conditions for Dairy Products.....	62
Appendix G: Recommended Storage Conditions for Fruits	63
Appendix H: Recommended Storage Conditions for Vegetables ...	63
Appendix I: A Summary of Food Spoilage	64
3 The Menu Planning and Purchasing Control Points	69
The Menu Planning Control Point	69
<i>Menu Planning and Inventory • Menu Planning and People • Menu Planning and Equipment • Menu Planning and Facilities • Changing the Menu • Truth-in-Menu Regulations • Menu Planning and Food Safety</i>	
The Purchasing Control Point.....	77
<i>Purchasing and Inventory • Purchasing and People • Purchasing and Equipment • Purchasing and Facilities • Purchasing and Change • Purchasing and Food Safety</i>	
Checklist for Menu Planning	92
Checklist for Purchasing.....	93
4 The Receiving, Storing, and Issuing Control Points	97
The Receiving Control Point	97
<i>Receiving and Inventory • Receiving and People • Receiving and Equipment • Receiving and Facilities • Receiving and Change • Receiving and Food Safety</i>	
The Storing Control Point.....	106
<i>Storing and Inventory • Storing and People • Storing and Equipment • Storing and Facilities • Storing and Change • Storing and Food Safety</i>	
The Issuing Control Point.....	116
<i>Issuing and Inventory • Issuing and People • Issuing and Equipment • Issuing and Facilities • Issuing and Change • Issuing and Food Safety</i>	

Checklist for Receiving	121
Checklist for Storing	123
Checklist for Issuing	125
5 The Preparing, Cooking, and Holding Control Points.....	129
The Preparing Control Point	129
<i>Preparing and Inventory • Preparing and People • Preparing and Equipment • Preparing and Facilities • Preparing and Change • Preparing and Food Safety</i>	
The Cooking Control Point.....	142
<i>Cooking and Inventory • Cooking and People • Cooking and Equipment • Cooking and Facilities • Cooking and Change • Cooking and Food Safety</i>	
The Holding Control Point.....	150
<i>Holding and Inventory • Holding and People • Holding and Equipment • Holding and Facilities • Holding and Change • Holding and Food Safety</i>	
Checklist for Preparing	159
Checklist for Cooking.....	161
Checklist for Holding.....	163
6 The Serving Control Point	167
Traditional Table Service.....	167
<i>Serving and Inventory • Serving and People • Serving and Equipment • Serving and Facilities</i>	
Other Types of Food Service	175
<i>Temporary Food Service • Banquet and Buffet Service • Off-Premises Catering • Room Service • Mobile Food Service • Serving and Change • Serving and Food Safety</i>	
Checklist for Serving	181
7 The Cleaning and Maintenance Control Point.....	187
Cleaning, Maintenance, and Inventory	187
<i>Cleaning Agents • Sanitizers • Proper Handling of Cleaners and Sanitizers</i>	
Cleaning, Maintenance, and People.....	190
Cleaning, Maintenance, and Equipment.....	192
<i>Manual Systems • Mechanical Systems</i>	
Pest Control	201
<i>Insects • Rodents • Control Measures</i>	

x Contents

Cleaning, Maintenance, and Change	206
Cleaning, Maintenance, and Food Safety	206
Checklist for Cleaning and Maintenance	208
8 Facilities Cleaning and Maintenance.....	211
Floors	211
<i>Hard Floors • Resilient Floors • Wood Floors • Carpeting •</i> <i>Recommended Floors for Food Establishments</i>	
Walls and Ceilings	216
Lighting and Ventilation.....	219
Dressing Rooms and Food Service Laundry Facilities.....	223
Plumbing Systems	223
<i>Toilet and Lavatory Facilities</i>	
Cleaning and Maintaining Furniture, Glass, and Decorative Items.....	227
Refuse Storage and Disposal.....	228
Exterior Cleaning and Maintenance	229
Cleaning and Maintenance in Lodging Operations	230
<i>The Housekeeping Department • Waste Collection and Disposal •</i> <i>The On-Premises Laundry</i>	
Facilities and Food Safety	234
Checklist for Facilities Cleaning and Maintenance.....	235
Index.....	239
