

## Chapter 17 Outline

Truth-in-Menu Laws and Labeling Laws  
Other Food Service Issues  
    Kosher Food  
    Prohibition Against the Use of  
        Sulfiting Agents  
    New York State Sought Pesticide  
        Notice to Guests  
    New York City Law Banning  
        Trans-Fats  
    Caloric Labeling Laws  
Important Points for Management

## Competencies

1. Describe truth-in-menu laws and labeling laws, and list some examples of inaccurate food descriptions that would violate typical truth-in-menu regulations. (pp. 277–279)
2. Summarize other food service issues of potential legal concern. (pp. 279–280)
