

## Chapter 31 Outline

Types of Regulation

Licenses to Operate, Certificates,  
Permits, and Inspections

Other Local Regulations

Taxes

Important Points for Management

## Competencies

1. Indicate some of the subjects covered by laws and regulations promulgated on the state and local levels. (pp. 451–453)
2. Identify the licenses, certificates, permits, or inspections that state and local building codes may require hotels to obtain. (p. 452)
3. Cite examples of state and local taxes that hotels may be subject to or may be responsible for collecting. (pp. 452–453)
