State and Local Fire Legislation
Federal Fire Safety Act
Court Cases
 Civil Actions
 Criminal Actions
Private Sector Aids
Important Points for Management

Competencies

1. Describe the Occupational Safety and Health Administration (OSHA) regulations on fire brigades. (pp. 471–472)
2. Identify fire equipment standards promulgated by OSHA, and distinguish between Class A, B, and C fires. (pp. 472–475)
3. Cite examples of state and local fire legislation. (pp. 475–476)
4. Describe federal legislation regarding fire safety, and give examples of major hotel fires that occurred in the 1980s. (pp. 476–479)
5. Describe penalties for non-compliance with fire codes. (p. 479)
6. Summarize some private sector sources of fire safety information. (pp. 479–480)
